

## Agenda Item E.3, FEP 5-Year Review

### Council Action:

# Review FEP Goals and Objectives and an Outline of Proposed FEP Revisions; Provide Guidance on Future Work and Schedule for the Five-Year Review.

I move that the Council direct the Ecosystem Work Group (EWG) to update the Fisheries Ecosystem Plan (FEP) as follows:

1. Update the Vision and Purpose Goals and Objectives described in the EWG report (Agenda Item E.3.a, EWG Report 1), including the addition of ecosystem-level, outcome-oriented, goals that particularly focus on the ecosystem within the context of a changing climate.as described in the EWG report.
2. Consider public and advisory body comments ~~on this update~~ and present **alternative** revisions to the Council for review and approval at the Council's September 2019 meeting. I move to amend the motion, item #2 strike out the words "on this update" and insert between "present revisions" insert the word "alternative" (Michele Culver; 2<sup>nd</sup> by Phil Anderson) Amendment carried unanimously.
3. Review the FEP in detail and recommend comprehensive FEP update alternatives for review at the Council's March 2020 meeting, based on revisions to the Vision Statement, Purpose Statement, Goals, and Objectives; information generated during the pursuit of the Climate and Communities Initiative; and information on the current or potential future uses of the FEP.

Moved by John Ugoretz; Second by Rich Lincoln

Motion as amended carried unanimously.
