4. Directed take for the live bait fishery without incidental limits. Should Amendment 17 to the CPS FMP not be approved before the July 1, 2019 start date, then live bait would be limited to 15% incidental take for other CPS offloads until Amendment 17 is approved,
5. An incidental per trip allowance of 2 mt of Pacific sardine in non-CPS fisheries,
6. A per trip limit of 1 mt of Pacific sardine if the live bait fishery attains 2,500 mt
7. If the ACT of 4,000 mt is attained, a 1 mt per trip limit of Pacific sardine would apply to live bait, and a 1 mt per trip limit of incidentally caught Pacific sardine would apply to the primary directed fishery.
