29 August, 2019; 1pm

This is a public meeting to be held via webinar, of the Pacific Fishery Management Council's (Council) Coastal Pelagic Species Management Team (CPSMT) and Coastal Pelagic Species Advisory Subpanel (CPSAS). The purpose of the meeting is to consider and possibly develop supplemental reports on Ecosystem and Administrative matters on the Pacific Council's September agenda, as well as to discuss future workload planning and assignments. Public comment may be taken at the discretion of the Chairs, and as time allows. The webinar may continue beyond 3 p.m. if necessary to complete the day's business.
