---

## *SALMON TECHNICAL TEAM*

**Mr. Dell Simmons, Chair**

National Marine Fisheries Service, Lacey, Washington

**Mr. Allen Grover, Vice Chair**

California Department of Fish and Game, Healdsburg, California

**Mr. Craig Foster**

Oregon Department of Fish and Wildlife, Clackamas, Oregon

**Dr. Robert Kope**

National Marine Fisheries Service, Seattle, Washington

**Mr. Doug Milward**

Washington Department of Fish and Wildlife, Olympia, Washington

**Mr. Michael Mohr**

National Marine Fisheries Service, Santa Cruz, California

**Dr. Gary Morishima**

Indian Tribes, Mercer Island, Washington

**Mr. Henry Yuen**

U.S. Fish and Wildlife Service

## *PACIFIC FISHERY MANAGEMENT COUNCIL STAFF*

Mr. Chuck Tracy

Mr. James Seger

Dr. Edward Waters

Ms. Kerry Aden

Ms. Renee Dorval

Ms. Carrie Compton

The Salmon Technical Team and the Council staff express their thanks for the expert assistance provided by Mr. Glenn Szerlong, National Marine Fisheries Service, Ms. Wendy Beeghley and Ms. Cindy LeFleur, Washington Department of Fish and Wildlife; Dr. Harry Upton, Oregon Department of Fish and Wildlife; Ms. Melodie Palmer-Zwahlen, California Department of Fish and Game; Ms. Sandy Zeiner, Northwest Indian Fisheries Commission; and numerous other agency and tribal personnel in completing this report.

This document may be cited in the following manner:

Pacific Fishery Management Council. 2005. *Review of 2004 Ocean Salmon Fisheries*. (Document prepared for the Council and its advisory entities.) Pacific Fishery Management Council, 7700 NE Ambassador Place, Suite 200, Portland, Oregon 97220-1384.

## LIST OF TABLES

		<u>Page</u>
TABLE I-1.	Summary of actual ocean non-Indian commercial troll salmon fishing regulations for 2004	4
TABLE I-2.	Summary of actual treaty Indian commercial ocean and Area 4B troll salmon seasons for 2004	6
TABLE I-3.	Summary of actual ocean recreational salmon fishing regulations for 2004	7
TABLE I-4.	Council area commercial and recreational ocean salmon fishing effort and landings by state	9
TABLE I-5.	Council area commercial and recreational ocean salmon fishing effort and landings by management area	13
TABLE I-6.	Coho and chinook harvest quotas and guidelines for 2004 compared with actual harvest by management area and fishery	14
TABLE I-7.	Estimated incidental mortality of chinook and coho in 2004 ocean salmon fisheries	21
TABLE I-8.	Summary of 2004 recreational and commercial fisheries selective for marked hatchery coho	22
TABLE I-9.	Chinook catch by Southeast Alaska marine fisheries in thousands of fish	24
TABLE I-10.	Chinook and coho catches by Canadian marine fisheries in thousands of fish	25
TABLE I-11.	Summary of 2004 West Coast Vancouver Island salmon fisheries	26
TABLE I-12.	Summary of coho catch in British Columbia commercial fisheries	27
TABLE I-13.	Summary of coho catch in British Columbia recreational fisheries	27
TABLE II-1.	Sacramento River natural and hatchery adult fall Chinook escapements in thousands of fish	31
TABLE II-2.	Klamath River adult inriver fall Chinook run size, spawning escapement, recreational catch, Indian net harvest, and non-landed fishing mortalities in numbers of fish and percent of the total inriver run size	34
TABLE II-3.	Oregon coastal spring and fall chinook hatchery return and harvest in estuary and freshwater fisheries	38
TABLE II-4.	Spawner indices for naturally produced Oregon coastal fall chinook and south migrating/localized spring chinook	39
TABLE II-5.	Performance of chinook salmon stocks in relation to 2004 conservation objectives	44
TABLE III-1.	Estimated returns to Oregon coastal streams and lakes in thousands of adult coho (SRS spawner accounting)	55
TABLE III-2.	Estimated weekly effort (in angler trips) and catches of chinook and coho in the 2004 Buoy 10 recreational fisheries	57
TABLE III-3.	OCN adult coho salmon conservation objective, fishery impacts, and spawner escapement, based on stratified random survey (SRS) methodology	59
TABLE III-4.	Performance of coho salmon stocks in relation to 2004 conservation objectives	67
TABLE IV-1.	Average monthly exvessel troll salmon price in dollars per dressed pound for California, Oregon, and Washington in 2004	73
TABLE IV-2.	Troll chinook and coho landed in California, estimates of exvessel value, and average price (dollars per dressed pound) in nominal and real (2004) dollars	74
TABLE IV-3.	Troll chinook and coho landed in Oregon, estimates of exvessel value, and average price (dollars per dressed pound) in nominal and real (2004) dollars	75
TABLE IV-4.	Non-Indian troll chinook and coho landed in Washington, estimates of exvessel value, and average price (dollars per dressed pound) in nominal and real (2004) dollars	76

**LIST OF TABLES**  
**(Continued)**

TABLE IV-5. Non-Indian troll caught pink salmon landed in Oregon and Washington, estimates of exvessel value, and average price (dollars per dressed pound) in nominal and real (2004) dollars . . . . . 77

TABLE IV-6. Pounds of salmon landed by the commercial troll ocean fishery for major California port areas . . . . . 78

TABLE IV-7. Pounds of salmon landed by the commercial troll ocean salmon fishery for major Oregon port areas . . . . . 79

TABLE IV-8. Pounds of salmon landed by the non-Indian commercial troll ocean salmon fishery for major Washington port areas. . . . . 80

TABLE IV-9. Exvessel values (expressed in 2004 dollars) of inriver commercial harvest of Columbia River salmon . . . . . 84

TABLE IV-10. California, Oregon, and Washington ocean recreational salmon effort in thousands of angler trips and catch in thousands of fish by boat type . . . . . 88

TABLE IV-11. Estimates of California recreational ocean salmon angler trips by port area and boat type . . . . . 90

TABLE IV-12. Estimates of Oregon recreational ocean salmon angler trips by port area and boat type . . . . . 91

TABLE IV-13. Estimates of Washington recreational ocean salmon angler trips by port area . . . . . 92

TABLE IV-14. Oregon and Washington recreational salmon, bottomfish, and sturgeon angler trips by ocean port area and boat type for the area north of Cape Falcon . . . . . 94

TABLE IV-15. Buoy 10 and Area 4B add-on recreational salmon angler trips and catch by boat type . . . . . 97

TABLE IV-16. Estimates of California coastal community and state personal income impacts in real (2004) dollars of the troll and recreational ocean salmon fishery for major port areas . . . . . 101

TABLE IV-17. Estimates of Oregon coastal community and state personal income impacts in real (2004) dollars of the troll and recreational ocean salmon fishery for major port areas . . . . . 102

TABLE IV-18. Estimates of Washington coastal community and state personal income impacts of the non-Indian troll and recreational ocean salmon fishery for major port areas . . 103

TABLE IV-19. Local personal income impacts in real (2004) dollars of the commercial salmon gillnet fishery on Oregon and Washington Columbia River communities . . . . . 104

TABLE IV-20. Local personal income impacts in real (2004) dollars of the Buoy 10 recreational fishery in Oregon and Washington and the Area 4B add-on fishery in Washington . . 105

## LIST OF FIGURES

		<u>Page</u>
Figure II-1.	Sacramento River adult fall chinook spawning escapements, 1970-2004. ....	32
Figure II-2.	Klamath River adult fall chinook salmon river return and spawning escapements, 1978-2004. ....	36
Figure II-3.	Spawner indices for naturally produced Oregon coastal fall chinook. ....	40
Figure II-4.	Escapement indices for naturally produced Oregon coastal south/local migrating spring chinook, 1942-2004. ....	41
Figure II-5.	Columbia River mouth adult returns of the five major fall chinook stock groups, 1976-2004 ....	46
Figure III-1.	Oregon production area (OPI) salmon abundance estimates by stratified random survey (SRS) accounting methods, 1970-2004. ....	56
Figure III-2.	Oregon coastal natural (OCN) adult coho salmon spawners per spawner habitat mile by coastal region based on SRS accounting methods, 1990-2004. ....	60
Figure IV-1.	West Coast ocean non-Indian commercial chinook and coho harvest. ....	70
Figure IV-2.	West Coast ocean recreational chinook and coho harvest. ....	70
Figure IV-3.	West Coast non-Indian ocean commercial salmon annual exvessel price trends (2004 dollars). ....	81
Figure IV-4.	Exvessel value of West Coast non-Indian ocean commercial chinook and coho landings by state of landing (2004 dollars). ....	82
Figure IV-5.	Total recreational ocean salmon trips for California, Oregon, and Washington, with proportion of charter trips shown above each bar. ....	87

## LIST OF ACRONYMS AND ABBREVIATIONS

AABM	aggregate abundance-based management
ADFG	Alaska Department of Fish and Game
AEQ	adult equivalents
CCC	central California coast (coho)
CDFG	California Department of Fish and Game
Council	Pacific Fishery Management Council
CRFMP	Columbia River Fishery Management Plan
CVI	Central Valley Index
CWT	coded-wire tag
EEZ	exclusive economic zone (from 3-200 miles from shore)
ESA	Endangered Species Act
ESU	evolutionarily significant unit
FEAM	Fishery Economic Assessment Model
FMP	fishery management plan
FRAM	Fisheries Regulatory Assessment Model
ISBM	individual stock-based management
KMZ	Klamath management zone (ocean zone between Humbug Mountain and Horse Mountain where management emphasis is on Klamath River fall chinook)
LRH	lower Columbia River hatchery (tule fall chinook returning to hatcheries below Bonneville Dam)
LRW	lower Columbia River wild (bright fall chinook spawning naturally in tributaries below Bonneville Dam)
MCB	mid-Columbia River brights (bright hatchery fall chinook released below McNary Dam)
MOC	mid-Oregon coast
MSY	maximum sustainable yield
NA	not available
NMFS	National Marine Fisheries Service
NOC	north Oregon coast
ODFW	Oregon Department of Fish and Wildlife
OC	Oregon coastal (coho)
OCN	Oregon coastal natural (coho)
OPI	Oregon Production Index (coho salmon stock index south of Leadbetter Point)
PacFIN	Pacific Coast Fisheries Information Network
PSC	Pacific Salmon Commission
PST	Pacific Salmon Treaty
RER	rebuilding exploitation rate
RK	Rogue/Klamath (coho)
SCH	Spring Creek Hatchery (tule fall chinook returning to Spring Creek Hatchery)
SEAK	Southeast Alaska
SONCC	southern Oregon/northern California coastal (coho)
SRFI	Snake River Fall Index
SRS	Stratified Random Sampling
STEP	Salmon Trout Enhancement Program
STT	Salmon Technical Team (formerly the Salmon Plan Development Team)
URB	upper river brights (naturally spawning bright fall chinook normally migrating past McNary Dam)
USFWS	U.S. Fish and Wildlife Service
WCVI	West Coast Vancouver Island
WDFW	Washington Department of Fish and Wildlife
