

INDEX

- Action alternatives
 - described, ES-5-ES-8, 23-30
 - impacts to buyers and processors, 161-162
 - impacts to commercial fishing vessels, 160-161
 - impacts to communities, 165
 - impacts to co-occurring species, 114-115
 - impacts to habitat and ecosystem, 46-47
 - impacts to management regime, 133-134
 - impacts to nonconsumers and nonusers, 166
 - impacts to overfished species, 71-72
 - impacts to protected species, 56
 - impacts to recreational fishery, 162-164
 - impacts to tribal fishery, 164
- Alternatives, ES-3-ES-8, 23-32
 - action alternative 1, ES-5, 25-26
 - action alternative 2, ES-6, 26-27
 - action alternative 3, ES-7, 27-28
 - action alternative 4, ES-7, 28-29
 - council-preferred alternative (action alternative 5), ES-7, 29-30
 - eliminated alternatives, ES-8, 30-31
 - environmentally preferred, 204-205
 - no action, ES-4, 23-25
- Amendment 12, litigation over, 9
- Amendment 16-1, ES-1, 1, 10, 23
- Amendment 16-2, ES-1
- Bocaccio
 - action alternative 1, 25-26
 - action alternative 2, 26-27
 - action alternative 3, 27
 - action alternative 4, 28
 - council-preferred alternative (action alternative 5), 29
 - essential fish habitat for, 40
 - management history, 61-63
 - no action alternative, 24
 - stock status, 6-7
 - summary of alternatives for, 31
- Buyers and processors
 - described, 143-144
 - impacts to 155-156
- Bycatch, 112-114, 226-227, 232-235
- Coastal Zone Management Act, 215
- Commercial fisheries, 138-143
- Communities, 147-150, 157-158
- Co-occurring species
 - cumulative impacts to, 114
 - described, 111-112
 - direct and indirect impacts to, 112-114
 - impacts to, 112-116
 - impact evaluation criteria, 112
 - impacts to, 112-116
- Cost-benefit analysis, 169-176
- Council-preferred alternative (Alternative 5)
 - described, ES-7, 29-30
 - impacts to buyers and processors, 161-162
 - impacts to commercial fishing vessels, 160-161
 - impacts to communities, 165
 - impacts to co-occurring species, 114-115
 - impacts to co-occurring species, 115-116
 - impacts to habitat and ecosystem, 4748
 - impacts to nonconsumers and nonusers, 166
 - impacts to management regime, 134-136
 - impacts to overfished species, 72-73
 - impacts to protected species, 56-57
 - impacts to recreational fishery, 162-164
 - impacts to tribal fishery, 164
 - rationale for, 205-206
- Cowcod
 - action alternative 1, 26
 - action alternative 2, 27
 - action alternative 3, 28
 - action alternative 4, 29
 - council-preferred alternative (action alternative 5), 29
 - essential fish habitat for, 40
 - no action alternative, 25
 - management history, 63-64
 - stock status, 7, 225-226
 - summary of alternatives for, 31
- Ecosystem, West Coast marine
 - cumulative impacts to, 43-44
 - described, 39
 - direct and indirect impacts to, 42-43
 - impact evaluation criteria, 41-42
 - impacts to, 47-48
- Endangered Species Act, 49, 215
- Environmental justice, 167-169, 217-218
- Essential fish habitat
 - cumulative impacts to, 43-44
 - described, 39-41
 - direct and indirect impacts to, 42-43
 - EIS for, 23, 42, 214
 - impact evaluation criteria, 41-42
 - impacts to, 47-48, 227, 232-233

Fisheries, 138-146
 commercial fisheries, 138-143
 impacts to, 152-155, 156-157
 recreational fisheries, 144-146
 tribal fisheries, 146-147

Energy conservation, 200-201

Impacts of the alternatives, ES-8--ES-17, 39-206
 criteria used to evaluate, 15-17, 41-42
 co-occurring species impacts, 112-116
 habitat and ecosystem impacts, ES-9, 41-48
 overfished species impacts, ES-10, 67-73
 protected species impacts, ES-9, 112-116
 public sector impacts, ES-10, 126-136
 socioeconomic impacts, ES-11, 152-176
 unavoidable adverse impacts, 202-203

Historic resources, 201

Irretrievable resource commitments, 200

Irreversible resource commitments, 200

Magnuson-Stevens Act, ES-1, 1, 209-214

Management regime, 8-9, 117-136
 cumulative impacts to, 130-132
 described, 117-126
 direct and indirect impacts to, 127-130
 impact evaluation criteria, 126-127
 impacts to, 126-136

Marine Mammal Protection Act, 49-50, 215-216

Marine mammals, 49-50, 54

Migratory birds, federal agency responsibilities, 219

Migratory Bird Treaty Act, 50, 216

Mitigation, 203-204

National Standards
 consistency with, 212-213
 guidelines for, 5, 228

NEPA, ES-1, 1

No Action Alternative
 described, ES-4, 23-25
 impacts to buyers and processors, 161-162
 impacts to commercial fishing vessels, 160-161
 impacts to communities, 165
 impacts to co-occurring species, 114-115
 impacts to co-occurring species, 114
 impacts to habitat and ecosystem, 45-46
 impacts to management regime, 132-133
 impacts to nonconsumers and nonusers, 166
 impacts to overfished species, 71
 impacts to protected species, 56
 impacts to recreational fishery, 162-164
 impacts to tribal fishery, 164

Federalism, 218
 40-10 precautionary adjustment, ES-4, 24

Overfished Species
 cumulative impacts to, 70-71
 description of management history, 6-67
 direct and indirect impacts to, 67-70
 impact evaluation criteria, 67
 impacts to, 67-73

Paperwork Reduction Act, 216

Preparers, 245-246

Proposed action
 described, ES-2, 3
 need for, ES-2, 3-4
 purpose, ES-3, 4-5

Protected species
 cumulative impacts to, 53-55
 described, 49-50
 direct and indirect impacts to, 51-52
 impact evaluation criteria, 50-51
 impacts to, 50-57

Rebuilding Plans
 adoption strategy, 9-10
 contents related to EIS, 10-11
 management measures in, 229-230, 231-requirements, 5-6

Recreational fishery, 144-146, 156-157

Regulatory Impact Review, 217, 219-221

Regulatory Flexibility Act, 216

Regulatory flexibility analysis, 221-224

Salmon, 49, 52-53

Sea turtles, 53-54

Seabirds, 50, 54-55

Scoping, 11-17
 background, 11-12
 comments received, 12-15
 council and agency activity, 12

Socioeconomic environment, 137-176
 criteria used to evaluate impacts, 150-152
 cost-benefit analysis, 169-176
 cumulative impacts to, 158-159
 described, 137-150
 impacts to, 152-176

Tribal fishery, 146-147, 157

Tribal government, consultation with, 219

Urban quality, 201

Use values, 137-138, 158, 199-200

Widow rockfish
 action alternative 1, 26
 action alternative 2, 27
 action alternative 3, 28
 action alternative 4, 29

- council-preferred alternative (action alternative 5), 30
- essential fish habitat for, 40-41
- management history, 64-65
- no action alternative, 25
- stock status, 7-8
- summary of alternatives for, 32

Yelloweye rockfish

- action alternative 1, 26
- action alternative 2, 27
- action alternative 3, 28
- action alternative 4, 29
- council-preferred alternative (action alternative 5), 30
- essential fish habitat for, 41
- management history, 65-66
- no action alternative, 25
- stock status, 8
- summary of alternatives for, 32
