	III	0			0			-	-100%
Total South of Cape Falcon	I	98	27	194	4,819	1,353	14,274	256%	-134%
	II	102			5,050			273%	-135%
	III	69			3,414			152%	-124%
West Coast Total	I	233	67	280	18,851	5,528	22,645	241%	-183%
	II	182			13,403			142%	-159%
	III	105			7,125			29%	-131%

a/ Income impacts are sums of the impacts for individual communities within each management area. Note that these exclude some of the additional income impacts resulting from economic linkages between individual communities and between the communities and the greater economic region. Income impacts are not comparable to the exvessel values shown in Table 9. All dollar values are adjusted to 2008 real values.
